

ACKNOWLEDGEMENTS

On behalf of the Institute of Public Finance and in my own name I would like to thank the Friedrich Ebert Stiftung for financial support, and colleagues Rüdiger Pintar and Nenad Zakošek for their sterling collaboration.

I would also like to thank all those who took part in the project – of whom there are more than the number of the authors of the book – for the work they have put in. In particular I would thank the anonymous reviewers of all the papers, who contributed to the quality of the final texts.

I also thank translator Graham McMaster and copy-editor Zlata Babić. Thanks go to Marina Kesner-Škreb, who prepared the glossary, Martina Matejčić, who put the bibliographies of all the papers into order, Pava Turudija who saw the book through the press, Ana Mamić and Goran Vukšić who read all the papers.

Finally, I would like to express my thanks to Marina Nekić, who coordinated the whole project and without whom this book would not have seen the light of day.
